Highlights

Moulded plug

Moulded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket

Flexible PVC jacket provides protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Rubber strain relief

Rubber strain relief provides a secure yet flexible juncture between the cable and the plug.

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Gold-plated connectors

High-quality connectors that minimise signal loss.

On a hang tab

Products on a hang tab use minimal packaging materials and offer alternative display options.

Quality construction

Quality construction uses only top grade materials to create products of extended durability.
